Morocco

1. Bring Your Own Reusable Bags

Instead of using plastic bags, carry your own reusable ones when shopping or going to the market. This simple change can make a big difference!

2. Say No to Single-Use Plastics

Avoid items like plastic straws and cutlery. Opt for metal or bamboo alternatives that are better for the environment!

3. Participate in Local Clean-Up Events

Join community efforts to clean up parks and beaches. It’s a fun way to help your city and learn about keeping it clean!

4. Educate Others About Recycling

Share what you know about recycling with friends and family. The more we talk about it, the more people will join in!
